**Purpose:** "Dangerous Goods TTT"

with calculation from Condor 4 weeks before training

#### **Cancellation:**

Any cancellation shall be in writing form (e.g. email). The Customer may cancel training without charge provided such cancellation is received by Condor at least 2 month before the training date. Otherwise Customer must pay the minimum cancellation fee of € 400,00 per trainee. If the Customer cancels training less than 4 weeks before the training date, the whole Course Fee must be paid. Condor may cancel training at any time. The paid fee will be returned within 4 weeks.

#### **Results of the Training:**

CFG gives no warranties in respect of the outcome of the Training and in particular does not warrant that trainees will be sufficiently proficient to qualify for any license, certificate or rating issued by the CAA or any other regulatory agency or governmental authority and CFG shall not be liable either to the Customer or the trainee for any lack of competence by the trainees.
